

## 2017-2018 Kindergarten – Grade 8 Uniform Policy

As a Catholic faith community, we believe that no child should be treated differently based upon his/her dress or appearance. The goal of the uniform policy at St. Vincent de Paul Catholic School is to provide the best learning environment possible for our students. We believe our school uniform policy promotes school pride, unity and tolerance, while eliminating the distraction of designer label competition.

Our expectation is for the students to be neat, clean, and decent. Students are required to follow the school uniform policy—including on Mass and field trip days.

Students not properly attired will be sent to the office. They will be provided with proper attire, or if there is none available, a parent will be called. The uniform policy is stated in the school handbook. Approved changes and additions will be communicated in the Royal Times (school newsletter). Teachers, staff, and administration reserve the right to deem whether uniform or non-uniform attire is appropriate. Any dispute of a violation will be resolved by the Principal or Assistant Principal.
