

We asked our Kindergarten and First Grade Students what they have learned in their **first** 100 Days of School. Here is what they had to say:

Kindergarten

My letters through Superkids.
 To be a better colorer.
 All about Presidents.
 To count to 100.
 To add numbers.
 To add and subtract numbers.
 How to play Mr. Fox in gym class.
 How to write my letters and words.
 My letter sounds with Superkids.
 How to read correctly.
 So much about how much God loves us.
 How things push and pull in science.
 To treat your friends nicely.
 How to make slime in science.
 I learned how to cut.
 How to play shadow tag with the sun.
 The letter game in computer class.
 How to share and be a good friend.
 To sing songs in music class.
 I have met all the Superkids!
 Math is fun!
 I have learned subtraction.
 I have learned about the United States.
 I learned the letter, "A".
 I learned 9+9.
 I learned the moon changes.
 I have learned how to be nicer.
 I learned what 10+10 is.
 The moon doesn't really change shape.
 I learned how to quill.
 I learned what sound letter "T" makes.
 I learned how to listen to the teacher.
 I learned a lot of math problems.
 I didn't know how to tell time before, but I do now!

First Grade

How to say the Rosary.
 How to subtract numbers.
 How to have good handwriting.
 How to print on the computer.
 How Jesus helped people.
 How to graph.
 How to do story problems in math.
 How to help others.
 How to read.
 I learned my teacher loves pandas.
 How to spell many words.
 How to type on a computer.
 How to make snowflakes.
 I learned about contractions.
 How to give a book report.
 How to be a good friend.
 How to read chapter books.
 How to show love in different ways.
 Treat others the way you want to be treated.
 I learned about force and gravity in science.
 About magnets.
 I learned what a table of contents is.
 How to say the Our Father in Spanish.
 I learned what a pulley and simple machine is.
 I learned how to draw a castle.
 I learned what a rebus is in a story.
 I learned who is in the Holy Trinity.
 How to spell "funny".
 How to measure.
 I can write words better.
 How to spell my name.
 Lots more science and math.
 How to spell more difficult words.
 How to do harder math problems.
 What vowels are.
 I can do anything if I try my best.
 How to make a good friend.
 We learned how to subtract.
 We learned more about Jesus.
 I learned about the 10 Commandments.
 I learned how to add -est and -er to words.
 I learned how to say the "My God" prayer.

Academic Excellence —Religious Foundation—Friendships Forever—Creative Enrichment.

At St. Vincent de Paul, we are teaching our students to be well rounded 21st Century thinkers.
