Dashboard

The first screen you come to is your “dashboard”. The dashboard has many “widgets” which you can rearrange, shrink, expand etc.

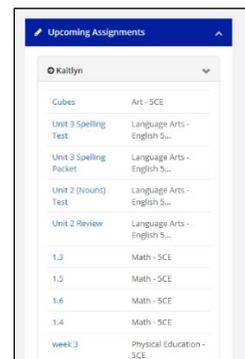

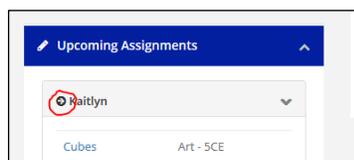

Assignments

Found on the dashboard under the “Upcoming Assignments” widget:

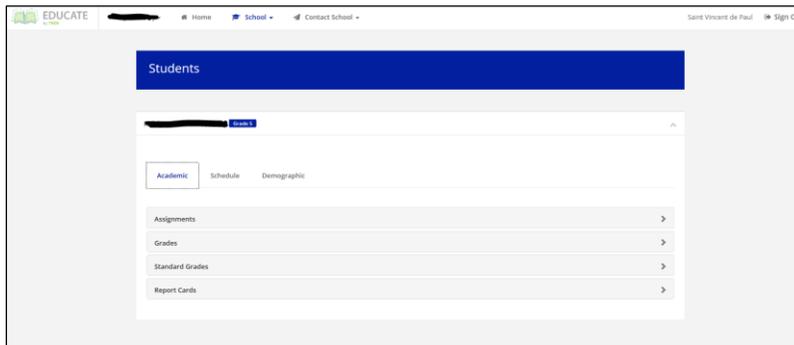

OR...

You can also click on the arrow icon just to the left of your name to go the student page for more detailed information.

The Students Page

Under the Students' "Academic" tab you can find Assignments, Grades and Report Cards (the "Standard Grades" section is not used)

Expanding the "Assignments" section (by clicking on the ">" on the "Assignments" header), will show you all your assignments past and present. You can sort by Due Date, Course, etc., by clicking on those column headers. You can also filter by using the drop down lists to then show a filtered view.

Name	Course	Due Date	Code	Comments	Score	Grade
